Programs

Local activities undertaken:

Basic and emergency aid and relief to people in rural/ regional/remote communities and victims of disaster in Australia.

International activities & programs undertaken:

We run short-term medical missions in the Philippines, Cambodia and India, working with local teams to ensure the work continues even after the short-term teams leave.

We have an initiative to bring safe drinking water to local communities in Africa. GAIN is able to provide the local community with clean water, health education and other development opportunities.

Description of charity's International activities and outcomes:

GAIN provides free medical care in villages by taking teams of doctors, nurses, dentists, and optometrists from Australia and in-country medical professionals from cities. Every year we serve about 10 villages in Cambodia, 24 villages in India, and 20 villages in the Philippines. These medical missions checked and gave medical treatments to more than 7,500 people every year. The clean water project in Benin, Togo & Tanzania helped to dig 45 deepwater wells in 45 villages in the last 5 years, which helped a minimum, 45,000 people to get clean water. The project also helped thousands in providing life training, hygiene, and sanitation training in each village. The solar light project also helping a village of 800 people (180 families) in the Bihar state of India.
